**'Neighbourhood'** level PLTs are to be coordinated by practices/PCNs/federations. This can be in-house or joint PCN/locality wide. To improve consistency across LLR, agendas for these sessions are no longer required to be submitted to the ICB, however we recommend keeping a local record of topics discussed for assurance, such as in the event of Freedom of Information (FOI) requests.

**'Place'** level PLTs will consist of a 1-1½ hours ICB-led webinar and break out session, 1:30pm onwards for system updates and thereafter GP/Practice Nurse/Practice Manager's Forums. Practices/PCNs will decide how best to utilise the remaining time for the afternoon.
