## Section 1

I..... have no objections to my GP practice allowing the following people:

(insert name/s).....  
having parental access to the following online services (**please tick all that apply**):

|   |                                |                          |
|---|--------------------------------|--------------------------|

I understand that proxy access will be removed when I reach my 16<sup>th</sup> birthday, where I will need to re-apply for access in my own right, or if I decide to withdraw consent, whichever is sooner.
