PATIENT SERVICES ADVISOR OPPORTUNITY

Wednesday, Thursday & Friday (18 hours per week), Rotating shifts

Castle Medical Group are excited to offer the opportunity to join our friendly team as a Patient Services Advisor.

We are looking for someone with good communication and customer service skills. Previous experience of working in the NHS and using SystemOne is desirable but not essential as full training will be given.

We offer a wide range of services for our 18,100 patients, and pride ourselves on delivering good quality patient focused care. The practice is well led with a supportive mixed skilled clinical team which includes, 5 x GP Partners, Salaried GP's, Paramedics, Advanced Nurse Practitioners, Practice Nurses, Health Care Assistants, Phlebotomists, Pharmacists, First Contact Practitioner and Mental Health Practitioner, combined with an extensive and experienced Management, Patient Services and Administration Team.

If you would like to find out more about the role, please refer to our website at:
